MESSAGE FROM CHAIRMAN

I consider myself fortunate enough to have been entrusted with the responsibility of being an integral part of Shree Gurukulam Public School where I nurture the future leaders of our nation. Your children are new energy, enthusiasm and core of our school.

I aim to provide an exemplary educational experience that makes our children global citizens. Our students not only demonstrate excellent academic progress and achievements but they also exhibit many important qualities such as integrity, leadership, adaptability, resilience, and true compassion for others and accepting individuals.

Dr. S.M. JAGATHEESAN
Chairman

MESSAGE FROM SECRETARY

We believe that education is a process that should foster creativity, independent thinking, exploration and experimentation as a lifelong process. We have modern amenities and well planned infrastructure for children needing to avail our residential facility.

So let your child experience a joyous learning under our love and affection. We provide additional attention to your children for their learning development and a better future.

Mr. K. SUBRAMANIAM
Secretary

MESSAGE FROM TREASURER

We at Shree Gurukulam Public School endeavour to provide a curriculum with difference. Our system balances excellence in learning with an all round cultural, physical, psychological and moral development. We wish our children to live a joyful life.

Mr. K. PUGALENDHI
Treasurer

MESSAGE FROM PRINCIPAL'S DESK

Welcome to happy learning! It gives me immense pleasure to welcome you all to the Gurukulam Family. Every seed of the banyan tree has an inbuilt ability to grow into a mighty tree, in a conducive environment. Likewise, all children are blessed with knowledge, skills and abilities, all of them could evolve into experts in their own chosen fields, when an encouraging and supportive environment is provided. Gurukulam Public School provides such an environment with varied opportunities in high academic standards.

All of us do not have equal talent. But, All of us have an equal opportunity to develop our talents.

Dr.S. Pradeep
Principal

BOOK FESTIVAL - ERODE

We are thrilled to share the highlights of our recent visit to the Erode Book Fair Exhibition on August 7th. Our students from Shree Gurukulam Public School had a wonderful time exploring a diverse range of books that promise to enrich their reading habits and broaden their horizons.

ART & CRAFT - WORKSHOP

We recently conducted a successful **Art and craft workshop**.

The students were highly enthusiastic and engaged throughout the session. Their creativity flourished as they explored various techniques and projects. A highlight of the workshop was the students' overwhelming interest in magic books, which sparked their imagination and curiosity. We are excited to see how these budding artists continue to develop their skills and look forward to more such interactive sessions in the future.

INDEPENDENCE DAY - COMPETITIONS

In celebration of Independence Day, our school hosted a series of engaging competitions including speaking, drawing, and poster-making. Students showcased their creativity and patriotic spirit through these activities, reflecting on the values that define our nation.

INDEPENDENCE DAY - CELEBRATION

SGPS commemorated Independence Day with a vibrant and heartfelt celebration. The day began with the hoisting of the national flag, followed by the singing of the national anthem, which filled the air with patriotism and pride. In the prize distribution ceremony, prizes were given for students who excelled in various Independence Day competitions.

MAGIC SHOW

A captivating **magic show** was recently conducted at our school, enchanting students with a mesmerizing display of tricks and illusions. The magician's performance kept everyone on the edge of their seats, sparking curiosity and wonder. The show was not only entertaining but also an inspiring experience for the students, encouraging them to explore the world of magic and imagination.

SCOUT & GUIDE

Our Scouts and Guides unit recently participated in an enriching camp at Venkateshwara Engineering College, where they honed their leadership and teamwork skills. At the camp, Scouts and Guides were immersed in a variety of team-building exercises, adventure sports, and leadership workshops. The camp was filled with excitement, from morning drills and hiking to educational workshops on environmental sustainability.

SCIENCE CLUB - ACTIVITY

The **science club** organized an experiment on acids, bases, and salts, allowing students to observe their chemical reactions. Acids are substances that have a sour taste and turn blue litmus paper red. Common examples include vinegar (acetic acid) and lemon juice (citric acid). Bases are substances that feel slippery, have a bitter taste, and turn red litmus paper blue. Common bases include baking soda (sodium bicarbonate) and soap.

GOKULASTAMI CELEBRATION

The **Gokulashtami celebration** at our school was a delightful event, with the entire focus on our youngest stars from Kindergarten. The little ones came dressed as Lord Krishna and Radha, bringing joy and energy to the festivities. To add to the festive joy, traditional sweets were distributed to all the students, making the day even more memorable.

GREEN DAY

The KG students at SGPS celebrated Green Day with great enthusiasm and excitement. To mark the occasion, students also participated in a "Green Walk" around the school garden, where they were taught about different types of plants and the importance of greenery in keeping our planet healthy. The event successfully instilled a sense of environmental responsibility among the children while making learning fun.
