E-NEWSLETTER JUNE, 2024

Dear SGPS Families,

A new journey to be started.

A new promise to be fulfilled.

A new page to be written.

Welcome back to a wonderful year full of innovative teaching and learning programs.

MESSAGE FROM CHAIRMAN

Dr. S.M. JAGATHEESAN
Chairman

I consider myself fortunate enough to have been entrusted with the responsibility of being an integral part of Shree Gurukulam Public School where I nurture the future leaders of our nation. Your children are new energy, enthusiasm and core of our school.

I aim to provide an exemplary educational experience that makes our children global citizens. Our students not only demonstrate excellent academic progress and achievements but they also exhibit many important qualities such as integrity, leadership, adaptability, resilience, and true compassion for others and accepting individuals

MESSAGE FROM SECRETARY

We believe that education is a process that should foster creativity, independent thinking, exploration and experimentation as a lifelong process. We have modern amenities and well planned infrastructure for children needing to avail our residential facility.

So let your child experience a joyous learning under our love and affection. We provide additional attention to your children for their learning development and a better future

Mr. K. SUBRAMANIAM
Secretary

MESSAGE FROM TREASURER

Mr. K. PUGALENDHI
Treasurer

We at Shree Gurukulam Public School endeavour to provide a curriculum with difference. Our system balances excellence in learning with an all round cultural, physical, psychological and moral development. We wish our children to live a joyful life.

MESSAGE FROM PRINCIPAL'S DESK

Dr.S. Pradeep
Principal

All of us do not have equal talent. But, All of us have an equal opportunity to develop our talents

Welcome to happy learning! It gives me immense pleasure to welcome you all to the Gurukulam Family. Every seed of the banyan tree has an inbuilt ability to grow into a mighty tree, in a conducive environment. Likewise, all children are blessed with knowledge, skills and abilities, all of them could evolve into experts in their own chosen fields, when an encouraging and supportive environment is provided. Gurukulam Public School provides such an environment with varied opportunities in high academic standards.

“Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful”

School Reopening – Academic Year 2024–2025

Teaching your child is a tremendous responsibility for us. Each child will be constantly motivated and will have a joyful learning experience throughout this academic year. Communication from the school will be sent through Whatsapp, Phone Call. Each and every month News letter will be present with all the activities of the school.

Orientation Programme

An introductory session was arranged on the reopening day. The Principal Dr.S.Pradeep sir introduced the class teachers, subject teachers and newly appointed teachers to the students & parents and welcomed the new teachers and students.

Reopening Date :

We have reopened school for the students in the below mentioned date.

Kindergarten to Grade - X
10.06.2024

On the first day of assembly, the Chairman **Dr. S.M. JAGATHEESAN**, the Secretary **Mr. K. SUBRAMANIAM** and the Trustee **Mr. K. PUGALENDHI** they blessed the students and emphasized the importance of hard work, dedication and maintaining a positive attitude throughout the year. They expressed their hopes and encouragement for a successful academic year ahead.

Memories are created by **“SELFIE FRAME & SGPS BANNER”** on Reopening day.

Chairman sir's meeting with teachers

On June 15, 2024, the Chairman conducted a meeting with teachers, during which he presented several innovative ideas for the development of our schools. In addition to this, he emphasized the importance of incorporating technology in classrooms to enhance the learning experience for students. The Chairman also encouraged teachers to engage in continuous professional development to stay updated with the latest educational trends and methodologies. Moreover, he highlighted the need for fostering a collaborative environment among teachers to share best practices and improve overall teaching quality. He spoke extensively about the importance of providing individual care and attention to each child to ensure their holistic development. There was also a discussion about improving the school's admission process to attract more students and ensure a diverse and vibrant student body. The workshop concluded with an interactive Q&A session, where teachers had the opportunity to discuss their concerns and suggestions directly with the Chairman.

TOP NEWS OF THE MONTH

It is not yours, nor mine, It is ours.
Protect our mother earth who
nourished us.

SPECIAL DAYS OF STUDENTS :

Birthday celebration will be celebrated by giving of seeds and saplings instead of sweets in spreading of happiness. On that our students, **GX-Samiksha, G3-Jaishnavi, G3-Gokul, G4-Subhashree, G1-Visaagan** contributed tree saplings on their birthday and **G4-Susintharasri & G2-Shabiharsi** contributed tree sapling for their mother's birthday. **GIX-Krithik** contributed 'Phonics' book to library.

We are delighted to share that **Mrs. Ramani**, from the Tamil Department, has generously provided a tree sapling to the school in celebration of her son's birthday. This thoughtful gesture reflects her commitment to environmental conservation and the well-being of our community.

Medical checkup for Teachers

We are pleased to inform you that the annual medical checkups for all teachers have been successfully conducted at SGPS, specifically related to blood pressure and blood sugar levels. Typically, such checkups are conducted to monitor the health of individuals, especially given the importance of maintaining good health among teachers who play a crucial role in education.

Club activities of SGPS

- Organizing activities for a club can be a fun and engaging way to bring members together and foster a sense of community.
- We provided a space for students to discuss relevant topics and ideas.
- We allowed students to share their thoughts and suggestions.

Language Club Activity

Maths Club Activity

KG department of SGPS

Fun way of Learning

- For kindergarten (KG) students, learning is most effective when it's fun, engaging, and interactive.
- We Use educational toys and games that teach letters, numbers, shapes, and color
- We Use picture cards to help children sequence stories and understand narrative structure.
- Using a blackboard can be a highly effective and interactive way to engage kindergarten students.

Outdoor playing activities of SGPS

Kids enjoyed various playground equipment, such as swings, slides, and climbing frames, during recess. They also participated in a weight-balancing activity,

Indoor playing activities of SGPS

- The pretend play area was filled with costumes and toys, and the kids had fun pretending to be pirates and princesses.
- The indoor play area featured climbing structures, slides, and ball pits where children enjoyed active play.
- The indoor play area had a colorful ball pool where children happily jumped and played with soft, colorful balls.

Library usage of SGPS

- The school library provided access to a wide range of books, textbooks, and reference materials that supported the curriculum.
- Reading programs were regularly organized in the library to encourage literacy and fostered a love for books among students.

Multipurpose hall usage

- Students utilized the multipurpose hall for extracurricular activities such as language and dance practice.
- The hall was equipped with projectors and sound systems, making it ideal for student presentations and debates.
- During exam periods, the multipurpose hall is used as an additional study area for students.
- The multipurpose hall provided a space for students to engage in workshops and group projects.

Smart board usage

- Teachers used the smart board to deliver interactive lessons, making the content more engaging and visually appealing.
- The class used the smart board for digital note-taking, which could be saved and shared for later review.
- Geography lessons were brought to life with interactive maps displayed on the smart board, helping students visualize locations and terrains.

Computer Lab usage of SGPS

- Collaboration and quiet communication are encouraged to maintain a productive environment.
- The lab has total of 14 computer systems available for student use.
- Each system is equipped with the necessary software and tools for the curriculum.
- Respect for peers and lab instructors are emphasized at all times.
- Regular maintenance and updates ensured that all systems are in optimal working condition.
- The computer lab featured state-of-the-art systems, each equipped with high-speed internet.

Science Lab usage of SGPS

- Students are encouraged to work quietly and respectfully, minimizing disruptions to peers' experiments.
- Maintaining a detailed lab notebook is essential for recording observations and ensuring reproducibility of experiments.
- All chemical reagents are to be labeled clearly and stored according to their specific requirements.
- Fire extinguishers, eyewash stations and emergency exits are kept accessible and unobstructed at all times.
- Students are encouraged to ask questions and seek clarification before starting any experiment to ensure they fully understood the procedures and risks involved.

INTERNATIONAL YOGA DAY

“Yoga is not a work-out, it is a work-in. And this is the point of spiritual practice; to make us teachable; to open up our hearts and focus our awareness so that we can know what we already know and be who we already are.”

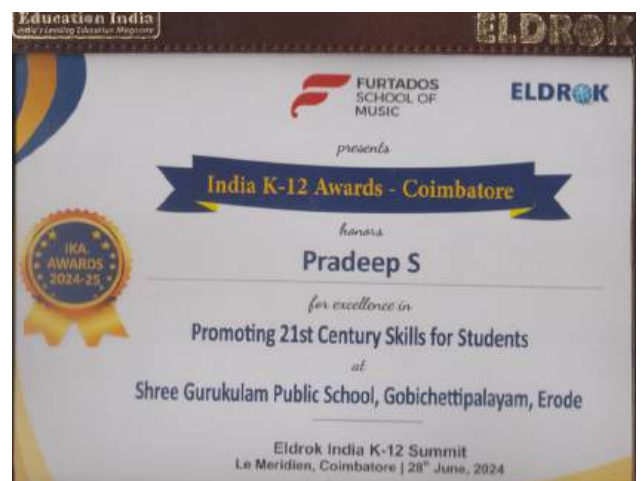

With regard to International Yoga Day, our school organised a Virtual Yoga workshop. The workshop was led by **Mrs. S.DEVI**, Yoga Instructor. The intention for conducting this virtual workshop was to inculcate the practice of yoga in our students and help them reap its immense benefits. The workshop was very helpful to the participants who understood the significance of mental health and its well being.

Last but not least, we are thrilled to announce that our Chairman, Dr.S.M.Jagatheesan sir was honored at the India K-12 Awards by Education India Magazine held at Le Meridian, Coimbatore, for his excellence in bringing and promoting academic excellence among students at Shree Gurukulam Public School, Gobichettipalayam, Erode.
